

How to insert a film into Blackboard 9 from “FILMS ON DEMAND”

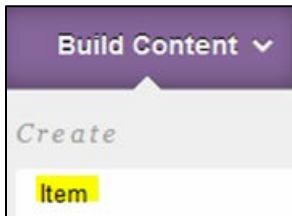

1. Got to <http://www.tarleton.edu/library/databases.html>
2. Scroll down to the F – G list and click “**Films on Demand**”

3. Open the film you would like to insert into Blackboard by clicking on its icon
4. Click on “**Embed this video**” shown below the film

5. **Copy** (CTRL+C) the code shown below the heading “Alternate Embed Code (Full Title)”
6. In Blackboard 9, click on the Content Area where you would like to insert the film
7. Click **Build Content, Item**

8. Insert a **Name** for the film
9. Click on the **Toggle HTML Source Mode** tool

10. **Paste** (CTRL+V) the code you had copied earlier
11. Click **Submit**
