

## Integrating Grades from Turing Point to Blackboard 9 Gradebook

1) After your session is over go to Turning Point → Manage tab and choose correct class

The screenshot shows the 'Manage' tab in the TurningPoint Dashboard. The 'Manage' tab is highlighted with a red box. On the left, a list of course titles is shown, with 'Fall 2012 - Adapt, Corr, & Dev Exercise (KINE-380-010) - MW' highlighted in red. The main area displays the 'Participant List Overview' for this class, including details like 'Date Created' and 'Number of Participants'. A table titled 'Preview:' lists participant information with columns for Device ID(s), First Name, and Last Name. At the bottom right, the 'Results Manager' button is highlighted with a red box.

Device ID(s)	First Name	Last Name
