

ATTACHING MULTIPLE DOCUMENTS IN BLACKBOARD 9.1 DISCUSSION

1. Open the Discussion forum.
2. Click on **Create Thread** to create a new response to a discussion forum.

3. In the **Create Thread** window, use the **Insert File** icon in the text editor window to select and upload a file.

4. In the **Insert Content Link** window that opens, browse to locate the file. Click **Submit** to attach the file.
5. Repeat Steps 3 and 4 to continue attaching additional files to the thread. Attached files will show in the text editor window as links.
6. Once the discussion message is complete and all files have been attached, click the **Submit** button to finish.
