

## Student Account Creation Instructions

(1) Go to the Blackboard Course and click on the **Turning Cloud Account Registration** link provided by your instructor.

(2) Enter your **Tarleton student e-mail**.

(3) Log in using **Tarleton's NTNET ID and password**.

(4) Check your Tarleton e-mail and **click the link provided to confirm your account**.

(5) Add your **Name, Student Role, and Create Password**. The password must be 8 characters long, contain at least one uppercase/lowercase letter, and contain at least one number.

(5) Click the **End-User Agreement** box and then **Finish**.

(6) Add your **License Code** and click **Redeem** button. Then add your **Device ID** and click **Register**. The Device ID is located on the back of your clicker and is a combination of six numbers and letters. You do not need to capitalize the letters when registering your device.
